

Orang-Sol Series

INDUSTRIAL

Orang-Sol 100

Parts Cleaner and Degreaser. Quickly eliminates grease, dirt, oil and sludge from automotive parts and accessories with maximum solvency and safety.

Orang-Sol 200

Grease Trap Maintainer. Acts as a floating degreaser and dissolves grease in grease traps safely. Won't harm pipes or traps. Deodorizes as it cleans. Regular use eliminates the need for manual cleaning.

Orang-Sol 300

Drain and Sewer Maintainer. Highly effective in controlling grease buildup without affecting bacterial activity while also providing a pleasant fragrance.

Orang-Sol 400

Engine Degreaser. Removes grease, grime, oil and dirt from motor blocks, then rinses away with water.

Orang-Sol 500

Tar and Asphalt Remover. Safely removes tar and asphalt from machinery without harming the paint.
