

**Double Brite E** will not streak or stain when used as directed. It can be used through spray and foam equipment fitted with an acid injector. It can also be used in a two step truck washing system along with a suitable truck wash.

**DIRECTIONS:  
READ ALL SAFETY PRECAUTIONS BEFORE  
USING THIS PRODUCT.**

Dilute 1 part with 15 to 64 parts water. Dilution may vary depending on specific application.

1. Apply diluted solution to trailer starting from the bottom and moving to the top in small sections to avoid streaking.
  2. Allow NO more than 2 minutes of contact time. Do NOT allow solution to dry on the surface.
  3. Rinse starting at the top and moving to the bottom to avoid streaking.
- Brushing may be necessary to remove heavy diesel exhaust deposits.
- Do NOT apply this product to glass surfaces.

# DOUBLE BRITTE

## Concentrated Aluminum Brightener

**Removes Diesel Smoke, Road  
Film and Oxidation**

DANGER

KEEP OUT OF REACH OF CHILDREN  
Net Contents: 5 gal (18.93 L)

**Double Brite E** is a concentrated product formulated to clean and brighten aluminum. It reduces labor costs associated with trailer washing. It removes the heavy deposits of road film, diesel smoke and oxidation.
