

Real Hott

Heavy-Duty Liquid Cleaner

100% Water Soluble

**Use on Iron, Steel, Stainless Steel,
Copper & Titanium**

**Used as Pre-Treatment for Heavy Duty
Cleaning & Boil-Out Operations**

Real Hott is a formulation of powerful cleaning agents, penetrants and surfactants that provide quick penetration for the removal of burnt on grease and grime.

Real Hott removes dirt, grease, oil, and baked-on soil and readily flushes dirt and grease out of cracks and crevices making heavy duty cleaning a simpler task.
