

This fast drying, nonconductive, formulation leaves no residue and is compatible with component plastics, rubber, and metal. This next generation product contains no CFC's, HCFC's, or other ozone depleters. Blasting spray easily cleans oil, flux, dirt, and other contaminants from contacts, printed circuit boards, switches, electric motors, and electronic precision instruments. While advanced in performance and ozone safety, this product is flammable and must therefore be used only on de-energized components and equipment. Always allow to dry and evacuate fumes before power is returned.

DIRECTIONS:

Insert plastic extension tube in the valve button for cleaning confined areas.
GENERAL APPLICATION: For the cleaning of fairly large surfaces, aim the spray tip at the area to be cleaned and press button. For the cleaning of confined areas and small exact spots, press the 6" extension tube into the valve opening until it bottoms, then spray directly on the spot to be cleaned.
IMPORTANT: This product is different from CFC/HCFC products and is **FLAMMABLE**. Always use on de-energized components and equipment. Always allow to dry and evacuate fumes before power is returned.

DANGER:

Contains Heptane, Isohexanes and Isopropyl Alcohol. Extremely flammable. Use only in a well ventilated area. Do not use near heat, sparks, open flame or other sources of ignition. Do not smoke in use area. Harmful or fatal if swallowed. Do not take internally. If swallowed, do not induce vomiting. Call physician immediately. Contents under pressure. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F. **KEEP OUT OF REACH OF CHILDREN.**

12/08

NOTE: As of January 1, 2009, this product, due to its volatile organic compound content, is prohibited for sale and use in the following states: CA, CT, DE, IL, MA, MD, ME, MI, NH, NJ, NY, OH, PA, DC and northern VA. Other locales may also prohibit its sale or use. Check local and state regulations.

QUICK III

CONTACT & CIRCUIT BOARD CLEANER III

- High Solvency Cleaning Power
- Leaves No Residue, Dries Fast
- Nonconductive to 25,000 Volts

DANGER:

EXTREMELY FLAMMABLE. HARMFUL OR FATAL IF SWALLOWED. CONTENTS UNDER PRESSURE. KEEP OUT OF REACH OF CHILDREN.
See additional cautions on back panel.

NET WT. 11 OZ. (312 grams)
