

# Detco 8543

## Heavy-Duty, High Sudsing Vehicle Washing Compound

**Environmentally Safe**

**Provides Super Effective Cleaning Power**

**For Hand-Pressure-Automatic Systems**

**Economical**

**Detco 8543** is a premium, totally active, light density, high sudsing compound specifically formulated for cleaning cars and trucks. Hand, pressure washer, or automatic washing systems can apply it. It can be used as a bug prep or detergent.

**Detco 8543** will allow for effective cleaning and free rinsing with exceptionally high dilution ratios. It is safe on aluminum, chrome, glass, paint, and all other automotive surfaces when used according to directions.
