

Rig Wash

Heavy Duty Degreaser

Non-Flammable

Highly Concentrated

Biodegradable

Easy-to-Use

Non-Phosphate

Rig Wash is a versatile detergent/degreaser for use where solvent-based cleaners are normally required. It contains a highly effective blend of detergents, wetting agents, penetrants, corrosion inhibitors and water softeners.

Rig Wash removes dirt, grease, oil and most other soils quickly and easily. It is an excellent cleaner for industrial machinery, oil & gas rigs and other heavy duty equipment.

Rig Wash is non-phosphate, biodegradable, extremely concentrated and environmentally friendly.
