

# Copper Brite

## De-Oxidizer for Copper

**Economical**

**Fast Acting**

**Rinses Easily**

**Copper Brite** is a specially formulated chemical compound designed to remove oxidation from copper surfaces.

**Copper Brite** is non-toxic, non-hazardous and is biodegradable. It also protects against flash oxidation.

**Copper Brite** can also be used to clean brass, stainless steel, etc., and will remove water spots, oxidation and light to medium soils.
