

ULTRA WASH is a truck wash designed to remove exhaust deposits, road film and bug residue from painted vehicle surfaces with little or no brushing. It rinses easily and leaves no unsightly road film.

WARNING

Causes skin irritation. Causes serious eye irritation. Wash hands thoroughly after handling. Wear protective gloves/eye protection.

FIRST AID:

IF ON SKIN: Wash with plenty of soap and water. **IF skin irritation occurs, get medical advice/attention. IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention.

ULTRA WASH

DIRECTIONS:

Mix 1 cup of product with 1 gallon of water.(16:1) Dilution may vary depending on specific application.

1. Apply diluted solution to trailer starting from the bottom and moving to the top in small sections to avoid streaking.
2. Allow 2 to 5 minutes of contact time. Do NOT allow solution to dry on the surface.
3. Rinse starting at the top and moving to the bottom to avoid streaking. Brushing may be necessary to remove heavy diesel exhaust deposits.
