

Det-Ware Automatic Dishwash is an industrial strength warewashing product with excellent anti-scale properties as well as aggressive cleaning.

DANGER

Causes severe skin burns and eye damage. Wash hands thoroughly after handling. Wear protective gloves/eye protection.

FIRST AID

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. **IF ON SKIN:** Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. **IF INHALED:** Remove to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTER or doctor. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Store locked up. Dispose of contents/container in accordance with federal, state and local regulations.

DET-WARE AUTOMATIC DISH WASH

DIRECTIONS:

This product should be injected at the rate of 3 to 6 mL per gallon of water into the warewashing machine by a suitable dispensing system.

This dosage rate may need to be adjusted based on water quality and the degree of soiling of the dishes.

This product is only for use in automatic dishwashing units.

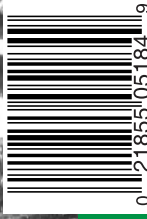

INGREDIENTS (CAS#): Water (7732-18-5), TKPP (7320-18-5), Potassium Hydroxide (1310-58-3), Sodium Polysilicate (1344-09-8), Surfactants.
