

Det-Ware Rinse Aid is a highly concentrated, automatic dishwashing rinse additive that will eliminate streaking and spotting on glassware and dishes.

CAUTION
Dispose of contents/container in accordance with federal, state and local regulations.

DET-WARE RINSE AID

Automatic Rinse
Additive

DIRECTIONS:

This product should be injected at the rate of 1 mL per rack of dishes into the warewashing machine by a suitable dispensing system.

This dosage rate may need to be adjusted based on water quality and the degree of soiling of the dishes.

This product is only for use in automatic dishwashing units.

KEEP OUT OF REACH OF CHILDREN
