

CAUTION

Dispose of contents/container in accordance with federal, state and local regulations.

PRO-SEAL

Silicone Vehicle
Protectant

Pro-Seal is a silicone based vehicle protectant that enhances most vehicle appearances instantly while making the finish resistant to dirt, bugs, road film, etc. Once applied, cleaning is significantly easier and less time consuming.

DIRECTIONS:

Vehicles: Thoroughly clean the vehicle with a suitable detergent and rinse completely. While the vehicle is still wet, spray Pro-Seal sparingly over the entire surface, then rinse with water. Do NOT allow product to dry on surface.

Release Agent for Equipment: May be used undiluted or diluted with up to 6 parts water.

Concrete Forms: Dilute 1 part product with 15 parts water. Apply to sides of form and allow to dry.

Snow Plows: Apply undiluted using a low pressure sprayer to the blade. Allow to dry before using plow.

KEEP OUT OF REACH OF CHILDREN

INGREDIENTS (CAS#): Water (7732-18-5), Silicones (63148-62-9)..

NET CONTENTS:
5 Gallons (18.9 L)
