SHURFLOOR

Neutral Floor Cleaner
with Enzymes

Shurfloor is a concentrated, liquid cleaner that is to be used as a no-rinse, neutral floor cleaner. It is excellent for use in food service areas because the enzymes eliminate floor slickness without using harsh chemicals.

Pouring the used mop water down the drain will keep the drains free flowing and eliminate odors.

ShurFloor removes odors from mop heads and the enzymes keep working even while the mop head is hanging up keep it soft and pliable.

DIRECTIONS:

For General Mopping: Sweep floor of debris. Use 6 ounces of ShurFloor per mop bucket. (2 ounces per gallon of water) Mop surface. Scrub if needed. Rinsing is not necessary.

For Heavily Soiled Surfaces: Dilute at the rate of 4 to 6 ounces of product per gallon of water. Apply with a sponge, mop, or hand sprayer. At this dilution, a rinse with clear water is recommended.

KEEP OUT OF REACH OF CHILDREN

INGREDIENTS (CAS#): Water (7732-18-5),
DDBSA (68584-22-5), Isopropanol (67-63-0),
Surfactants, Enzymes, Fragrance, Dye.
