with Carnauba Wax**

KEEP OUT OF REACH OF CHILDREN

INGREDIENTS (CAS#): Water (7732-18-5), DDBSA (68584-22-5), Triethanolamine (102-71-6), Tetrasodium EDTA (64-02-8), Diethanolamine 111-42-2), STPP (7758-29-4), Cocamide DEA (68603-42-9), Fragrance, Dye.

NET CONTENTS:
1 Gallon (3.79 L)

CAUTION
See Statement on Side Panel

New Car Wash is a highly concentrated, all purpose car shampoo that contains carnauba wax. It is recommended for either hand washing or pressure washing.

DIRECTIONS:
This is a highly concentrated product. Do NOT use without diluting.

It is recommended to dilute this product at the rate of 1-4 oz per gallon of water.

Dilutions may vary depending on water quality and desired effect.

Apply to automobile by spray or sponge. Agitating with a soft brush or sponge while cleaning will increase the effectiveness of the wax. Rinse well with clear water.
